PETUNIAS

We have a strain of Dwarf Giants of California developed by reselection over the past ten years. We have found it equal to or better than any other. Among the testimonials we have received, we quote the following: "We want to thank you for your help in selecting our flower seeds, especially the Petunias, which proved to be a complete success. Our Dwarf Giants of California is the by-word in this community. Our customers remarked that they had never seen anything like them. Some of them were fully 9 in. across the bell and the plants only 9 in. high."

Dwarf Giants of California, Extra-Dwarf Giants. An extra-dwarf type, suited especially to pot culture. Flowers have well-marked open throats and are beautifully ruffled and fringed. $\frac{1}{64}$ oz. \$2.75, $\frac{1}{32}$ oz. \$5.00.

German's Special Dwarf Giants of California Mixed. $\frac{1}{64}$ oz. \$2.50, $\frac{1}{32}$ oz. \$4.50, $\frac{1}{16}$ oz. \$8.00.

Extra-Choice Dwarf California Giants Mixed. $\frac{1}{64}$ oz. \$1.75, $\frac{1}{32}$ oz. \$3.00, $\frac{1}{16}$ oz. \$5.75, $\frac{1}{8}$ oz. \$10.00.

California Ruffled Monsters Mixed. $\frac{1}{64}$ oz. \$1.75, $\frac{1}{32}$ oz. \$3.00, $\frac{1}{16}$ oz. \$5.75, $\frac{1}{8}$ oz. \$10.00.

Ruffled Nana Compacta, Little Giants Mixed. (New.) This is a cross between the Martha Washington type and Dwarf Giants of California. The plant is covered with a mass of blooms 4 in. and more in diameter. The mixture has an excellent color range. It combines the pancake style of growth of Martha Washington with the habit of Dwarf Giants of California. At the trials at Pennsylvania State College the plants were a mass of bloom. For bedding purposes we do not believe there is any Petunia on the market to equal it. This mixture has an excellent color range from deep crimson to white in almost every imaginable shade and combination of markings. The medium-sized, deep-throated flowers are well ruffled and waved and keep the plant completely and continuously covered. $\frac{1}{64}$ oz. \$1.15, $\frac{1}{32}$ oz. \$2.00.

Ruffled Giants, Marilyn. Very large; fine rich salmon. $\frac{1}{64}$ oz. \$1.50, $\frac{1}{32}$ oz. \$2.75.
